Submission Guidelines

Students are required to prepare the soft copy of the assignments and the project as per the specified submission guidelines with proper formatting. All the assignments with the end term project will be included in one file. Students need to submit a pdf file of assignments named as follows:

Assignment_regdno.pdf

For Assignment report:

- Include the front page and content page (As provided)
- Include a front page for each assignment with appropriate assignment number. (As provided)
- Include the questions followed by solutions of each assignment. (Printable or scanned hand written answer)
- Include the source code of the Project along with the output corresponding to the two test cases.
